C-TEC CAST Detector Base

Mounting base for all CAST addressable detectors

STOCK CODE

29CA408

The base every CAST detector needs — sell one with each detector.

All	2.5 mm²	55 g	IP42
CAST detectors	cable max	weight	rating

WHY CUSTOMERS CHOOSE IT

- **Click-and-twist** fitting with locking mechanism
- Lots of working space for wiring
- Remote LED terminals (BF318)
- Integrated ID tag & removal tool

BEST FOR

- ✔ Every CA402 / CA414 / CA416 detector
- ✔ Some CAST sounder/VADs
- ✔ Ceiling mounting in any orientation

NOT FOR

- ✖ Non-CAST detectors
- ✖ Relay output needs — order the CA408R
