Suprema FaceStation F2 (Fingerprint)

FSF2-DB · IR + visual face fusion · fingerprint · mask detection

STOCK CODE

74FSF2-DB

Fusion face terminal — IR and visual matching, with fingerprint and mask detection.

⚠ The brochure on file has no specification table. Check capacities, card types and power before quoting.

IR + visual fusion matching

Face + finger biometrics

Mask detection

Photo enrolment

WHY CUSTOMERS CHOOSE IT

- **Fusion matching** — IR + visual templates
- Anti-spoofing with IR and visual checks
- Mask detection
- Enrol from a photo; templates improve with use

KEY SPECS

Spec table	**Not in this brochure — see Suprema FSF2 datasheet**

BEST FOR

- ✔ Offices and labs going touchless
- ✔ Any lighting — bright to dark
- ✔ Sites wanting face + fingerprint

NOT FOR

- ✖ Quoting specs without the full datasheet

FAMILY — PICK THE RIGHT ONE

FS2-D	FaceStation 2, face only
FSF2-DB	FaceStation F2 + fingerprint — **this unit**

COUNTER QUICK ANSWERS

Dark rooms? Yes — IR face recognition.

Masks? Detects mask-wearing.

Card types? Check full datasheet.
