DSC PowerSeries Neo HS2064 Panel

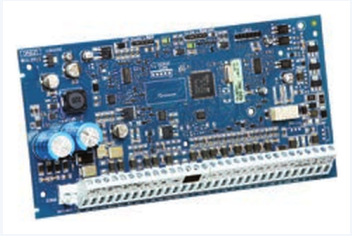

Hybrid wired + PowerG wireless alarm panel · 8 to 64 zones

STOCK CODE

22HS2064NKZAM0

Mid-size PowerSeries Neo panel — 64 zones, 8 partitions, 500 users, same keypads as the rest of the range.

⚠ **Confirm what this stock code includes (board, cabinet, transformer, keypad) before quoting.**

8→64	8	500	500
zones	partitions	user codes	event log

BEST FOR

- ✔ Medium businesses and large homes
- ✔ Multiple partitions (e.g. office + warehouse)
- ✔ Mixing wired and PowerG wireless

NOT FOR

- ✖ Small homes (HS2016 is enough)
- ✖ Over 64 zones (HS2128)

WHY CUSTOMERS CHOOSE IT

- **Hybrid** — wired zones plus PowerG wireless
- **128-bit AES** encryption
- 4 on-board PGMs (3 high-current)
- Remote programming via DLS 5
- Alarm.com compatible
